

Application and Criteria for Golf Cart for Handicapped Residents

This Application/criteria is intended to apply to any golf cart which may be approved by the Hidden Pointe Homeowners Association (HPHA) for use by a handicapped resident within Hidden Pointe, on its roadways and parking areas. Such approval does not apply to use of the golf cart on public roads. Golf carts which are permitted to be operated on public roads must be in accordance with NCDOT regulation 20-121.1.

All HPHA approved golf carts must adhere to the criteria below.

1. Golf cart is to be utilized for transport of an approved handicapped homeowner or resident. A handicap placard/license plate must be displayed at all times.
2. Golf cart must be operated by a homeowner or resident at least 16 years of age.
3. At a minimum the golf cart must be insured against property and liability not less than \$50,000 per occurrence (or current amount NCDOT requires on a licensed vehicle). Documentation demonstrating such insurance must be submitted to the HPHA prior to utilization of the golf cart within Hidden Pointe.
4. Golf cart operator and all occupants must be restrained by seat belts while cart is moving. No more than one occupant per seat belt is allowed. Due to safety concerns, children less than 5 years old are not allowed to be transported in the golf cart.
5. Cart may not be driven in excess of Hidden Pointe posted speed limit.
6. Cart will be driven to the right of the travel portion of the road and yield to overtaking vehicles.
7. Cart to be driven only from dawn to dusk unless equipped with headlights and tail lights.
8. Cart must be equipped with rear vision mirror and a rear reflector.
9. Carts must be equipped with break light indicator and twin signal indicator.
10. When not in use, golf cart must be parked/stored in homeowner's garage.
